

February 22, 2008

Dear Teachers:

You and your students are invited to participate in the Navarro Council of the Arts Tenth Annual Young Artist Exhibit. This is a countywide youth art exhibition that will award savings bonds and ribbons.

This year's theme entitled "A View of Navarro County" explores seeing places, people and things in Navarro County through different views. Students may see this as drawings, photos, sculptures or many other medias. Please discuss the contest guidelines and this year's theme with your students. Inspire them to believe and create an original work of art.

Please find enclosed information on the exhibit.

Every year the contest is a huge success! Students always feel proud to see their art displayed in a gallery setting. Entries will be accepted until Friday April 18, 2008. The exhibit will open on Wednesday April 23, 2008. Join us in recognizing the work of your aspiring young artist!

Sincerely,

Leah Blackard
Executive Director
